

Send us the details of your boat and we will complete **Page I** of your CALL SIGN AND MMSI NUMBER - Form CSMI

The Name of your boat: \_\_\_\_\_

\*The Call Sign of your boat: \_\_\_\_\_

This is the unique alphanumeric identity that belongs to your particular boat. The number is included as part of your boat's **fixed** radio VHF DSC license and is applicable only for your Boat Radio Licence.

**Note:** A portable VHF DSC radio will **not** have a call sign.

The MMSI Number of your boat: \_\_\_\_\_

This is a unique nine digit number that identifies your particular boat. Normally your boat's **fixed** VHF DSC radio would be issued by the licensing authority and entered into the set on purchase.

**Note:** Although a portable VHF DSC radio may have a MMSI number we actually require the MMSI issued for your boat's fixed VHF DSC radio. However please see below \* if you do not have a fixed radio on your boat and are using a hand held VHF DSC radio.

\* If your boat is **not** equipped with a fixed VHF DSC, enter 'Portable Radio'. We will enter 'Portable Radio - NO CALL SIGN' on the form and we will leave the phonetic alphabet entry blank.
